Michigan Tech University
Bachelors of Fine Art:
Communications

WORK EXPERIENCE

Gibbs Smith | Senior Designer | May 2021–Present

- Create engaging and well-organized layouts and templates for printed and digital educational materials.
- Collaborate with educators, curriculum developers, editors, and other designers to ensure consistent branding across multi-media projects and products that elevate our brand messaging.
- Compose text, imagery, and photography to communicate concepts that inspire, inform, and engage target audiences.
- Lead a team of designers to ensure that project deadlines are met, brand guidelines are consistently elevated and files are organized.
- Mentor junior designers.

BCI Media | Lead Designer + Brand Strategist | March 2020–May 2021

- Designed and delivered print publications, social media graphics, pitch decks, event branding, and other multi-media assets that satisfied client needs and exceeded expectations.
- Produced social media templates, print and digital ads, and branded landing pages based on current trends and impactful iterative design.
- Partnered effectively with marketing managers and stakeholders to plan and execute campaigns and rebrands.
- Analyzed customer needs, marketing opportunities, and working contexts, then synthesized research insights to inform design decisions and create visualizations that effectively targeted key findings.

RP Creative | Designer + Content Specialist | Oct. 2018–March 2020

- Imagined and developed beautiful branding including logos, typography and color palettes based on deep understanding of client briefs.
- Leveraged and evolved brand standards to reflect dynamic changes in messaging, offerings, and events.
- Developed innovative design for products and packaging, marketing, emails campaigns and social media based on relevant design trends.
- Created wireframes, flow diagrams, mock-ups, and high-fidelity prototypes to communicate future user interface and experience.
- Effectively communicated with outside partners to ensure high quality asset transfer and successful project resolution.
- Conceptualized characters and environments for illustration and brought projects through to completion.

Glick and Fray | Illustrator | July 2022–Present

- Create Illustrations for product design and marketing campaigns.
